You are shipping items that may contain hazardous material.

IMPORTANT: All USPS shipments containing hazardous material must be shipped via USPS Ground Advantage™. Hazardous materials shipped via USPS Priority Mail service must be declared with appropriate hazardous material labeling (Hazmat - Surface Transportation only) so it can be properly separated for USPS Ground Advantage™ (ground or boat).

Note: For hazardous material shipped with USPS Priority mail service, Your shipment will automatically default to Ground Advantage™ to ensure safe surface transportation. Estimated transit times may be impacted. Refunds will not be issued if a faster shipping option was initially selected. Surface transportation includes ground transportation to lower 48 states and boat transportation to Alaska and Hawaii.
